

Cable tray fixing price

AI Overview

Cable tray fixing trays and accessories typically range from \$1 to \$20 per piece, depending on material, size, and type. Overview of Pricing Cable tray fixing trays, also known as cable tray fittings or accessories, include components such as support brackets, suspension rods, clamps, connectors, and tray fixings. Prices vary widely based on material (galvanized steel, stainless steel, aluminum, or FRP), size, and supplier. Small brackets and clips: \$1-\$5 per piece for standard galvanized steel or aluminum. Support brackets and suspension rods: \$3-\$15 per piece depending on length and load capacity. Specialized fittings (elbows, tees, reducers, risers): \$5-\$20 per piece, with stainless steel or heavy-duty options at the higher end. Bulk or industrial orders: Prices can be lower per unit when purchased in large quantities, e.g., 100-1000 pieces. Factors Affecting Price Material: Stainless steel and heavy-duty galvanized steel are more expensive than aluminum or FRP. Size and Load Capacity: Larger or reinforced fixing trays cost more due to higher material usage. Supplier and Location: Prices vary between distributors like Graybar, McMaster-Carr, Alibaba, and local industrial suppliers. Installation Complexity: While the material cost is primary, installation height, number of supports, and project environment can affect total project cost. Example Pricing from Suppliers JLH Electric: Offers a wide range of fixing trays and support brackets, with competitive factory prices for standard galvanized steel and aluminum accessories, typically \$1-\$15 per piece. Alibaba: Small cable tray brackets and fixings start around \$0.35-\$1 per piece for basic galvanized steel, while specialized or heavy-duty components can reach \$20 per piece. Industrial Distributors: Graybar and Grainger provide catalog-based pricing, often requiring account registration to view exact prices, but typical ranges align with \$3-\$15 per fixing tray accessory. Summary For budgeting purposes, expect cable tray fixing trays to cost between \$1 and \$20 per piece, with the lower end for simple clips and small...
