

East African Vibration Optical Cable Manufacturer

Overview

A public limited company listed on the Nairobi Stock Exchange with its head office in Nairobi's Industrial Area, East African Cables is the premier manufacturer in East and Central Africa. It comprises two manufacturing facilities in Nairobi, Kenya and Dar es Salaam, Tanzania. Aluminium conductors and cables for power distribution and transmission over national gridlines. East African Cables sets sight on expanded capacity and new. YOA Cable, Africa's largest optical fibre cable manufacturer, is known for delivering world-class optical fibre products and exceptional customer service. We anticipate market needs, innovate and constantly refine our manufacturing processes and products to deliver faster speeds and more flexible. Since 1935, African Cables, now CBI-electric: african cables, has designed and manufactured a comprehensive range of electric power cables at its Vereeniging factory.
