

Four-in-one wall-mounted light distribution box

Overview

Upgrade your indoor electrical setup with this elegant and compact 4-way distribution box, designed for safety, durability, and a clean look. Perfect for homes, offices, and small commercial spaces, this box is ideal for organizing your MCBs securely and neatly. Metallic or non-metallic enclosures are available in various NEMA ratings to fit many environmental protection requirements. Sub-panels are sold separately unless otherwise noted. Use of this site is subject to certain Terms Of Use. For screen reader problems with this website, please call 1-800-430-3376 or text 38698 (standard carrier). Find quality wall mount electrical boxes for residential and commercial use. It offers mechanical protection for fiber and pigtail management, integrates splice and termination in a compact form, and features user-friendly operation. Multiple cable entry points offer flexibility when installing. 2 steel snap-fit mounting clips make securing the lighting distribution box quick and easy, and ensure compliancy with IET wiring regulation 521.
