

Manufacturer of African Standard Power Distribution Boxes

Overview

Brands like York, Okari, Enlec, Utilec ©, PSO1 and PSO2 are well known in the South African market and are all solely manufactured by Allbro in South Africa. Local manufacture to international standards means that products are suited to the rigors of an extremely tough local. With the acquisition of ABB's South African enclosure business (York) in 2011, Allbro also became a leading supplier of non-metallic enclosures to the industrial, commercial and residential contracting trades. Electrical enclosure & distribution equipment, manufactured to SABS provisions and standards. Our core business is manufacturing quality electrical enclosures. These range from smaller wall-mount enclosures to larger floor-standing panels and multi-tiered MCCs (Motor Control Centers). Golnix is situated in George (Southern Cape). We supply products throughout South Africa, Namibia and Africa. The EBST2 series is a high-quality metal distribution box specifically. CED (Consolidated Electrical Distributor) is a leading distributor dedicated to importing and distributing high-quality, low-voltage electrical switchgear and motor-control brands.
