

Price list for fiberglass cable trays

AI Overview

Fiberglass (FRP/GRP) cable trays typically range from \$0.65 to \$25 per meter depending on type, size, resin system, and supplier. General Price Ranges

Economical FRP Cable Ladders: \$0.65 – \$3 per meter for basic perforated or solid trays, suitable for light industrial or commercial use (MOQ varies from 1 to 100 meters).

Standard Pultruded Fiberglass Ladders: \$3 – \$10 per meter, often used in chemical plants, offshore platforms, and water treatment facilities.

Heavy-Duty or Custom FRP Trays: \$10 – \$25 per meter for high-load, corrosion-resistant, or fire-retardant trays with specialized resin systems (vinyl ester or epoxy).

Accessories and Fittings: Horizontal elbows, tees, reducers, and splice connectors typically add \$5–\$15 per piece depending on size and radius.

Factors Affecting Price

Material and Resin System: Polyester resin is generally cheaper, while vinyl ester or epoxy systems are more expensive due to higher chemical and temperature resistance.

Tray Type: Ladder, perforated, solid-bottom, or channel trays vary in cost; ladder trays are more expensive but support heavier cables.

Dimensions: Width, depth, and length directly influence material usage and price. Standard lengths are 3–6 meters.

Load Capacity and Durability: Trays designed for high uniform loading or extreme environments cost more.

Bulk Orders: Larger quantities often reduce per-meter cost by 10–40%.

Regional Factors: Shipping, labor, and local market conditions can affect final pricing.

Example Supplier Pricing

Alibaba Suppliers: \$0.65 – \$15 per meter depending on type and MOQ.

MP Husky: High-strength FRP trays with polyester or vinyl ester resin, ASTM-compliant, priced around \$1–\$10 per meter depending on specifications.

NHC FRP: Customizable trays with high corrosion resistance and fire-retardant properties; pricing available upon inquiry, typically \$3–\$20 per meter.

Spectrum7 Catalogue: PFL150 fiberglass ladder trays, 150mm height, 3–6m lengths, with elbows, tees, and risers; prices vary by resin type (FR, AS, VL).

Cost Considerations

Installation: Labor i...
