

Price of Layer 3 Industrial Switches in Uganda

AI Overview

Layer 3 industrial switches in Uganda typically range from US\$ 3,500,000 to over US\$ 15,000,000 depending on brand, ports, and features. Overview of Pricing Layer 3 switches are high-performance network devices designed for enterprise and industrial environments, supporting routing between VLANs, advanced security, and high-speed connectivity. In Uganda, prices vary based on brand, port count, PoE support, and uplink speeds:

- Ubiquiti USW-Pro-Max 24-Port PoE Layer 3 Switch:** Designed for high-density enterprise networks with multi-gigabit connectivity and high-power PoE++, this switch is available through local distributors like Shopit Uganda, typically priced around US\$ 10,000,000–12,000,000 depending on configuration and shipping.
- Ruijie RG-NBS5200-24SFP/8GT4XS:** A 24-port Layer 3 managed switch with 10G uplinks and 8 Gigabit combo ports, suitable for data centers and server rooms. Prices for this model are generally in the range of US\$ 12,000,000–15,000,000.
- Cisco, Juniper, Huawei, MikroTik switches:** Available through distributors like ServerBasket Uganda, these switches cover a wide range of speeds (1G–100G) and features. Entry-level Layer 3 switches from these brands may start around US\$ 3,500,000–5,000,000, while high-end models for enterprise or data center use can exceed US\$ 15,000,000.

Factors Affecting Price

- Port Count and Type:** More ports, SFP/SFP+ uplinks, and multi-gigabit support increase cost.
- PoE Support:** Switches with high-power PoE++ for IP phones, cameras, and Wi-Fi access points are more expensive.
- Brand and Warranty:** Premium brands like Cisco and Juniper command higher prices due to reliability, support, and advanced features.
- Delivery and Installation:** Some distributors offer free delivery and technical support, which may affect the total cost.
