

Price of Vertical Cable Tray Accessories

AI Overview

Vertical cable tray accessories typically range from under \$1 to over \$50 per unit, depending on type, material, and load capacity.

Price Overview

Low-cost options: Basic vertical cable tray components, such as simple connectors or clips, can start at \$0.95 per unit on platforms like Alibaba, especially for bulk industrial or solar cable management applications.

Mid-range accessories: Items like clamp connectors, hanging clips, and plastic drop-outs for wire mesh trays are generally priced between \$5 and \$20 per piece, depending on size, material, and corrosion resistance.

High-end or specialized components: Heavy-duty supports, cable tray hangers, protective covers, and coated metal fittings can cost \$20 to \$50 or more per unit, particularly for branded or high-quality industrial systems from suppliers like RS Components or PohlCon.

Types of Accessories

Connectors: Straight connectors, clamp connectors, and gutter connectors for joining tray sections.

Supports and Hangers: Brackets, hanging bars, and clips to suspend trays from ceilings or walls.

Protective Components: Drop-outs, separating strips, protective rings, and covers to prevent cable stress and damage.

Specialized Add-ons: D-rings, ducts, and organizers for vertical rack cable management in server cabinets.

Material Considerations

Metal: Zinc-plated or stainless steel for corrosion resistance and heavy-duty applications.

Plastic: Lightweight, corrosion-resistant, and suitable for less demanding installations.

Coated or hybrid materials: Some accessories feature protective coatings for marine or outdoor environments.

Practical Tips

Prices vary significantly based on tray width, load capacity, and material. Bulk purchases often reduce per-unit cost, especially for standard clips and connectors. Ensure compatibility with your vertical cable tray system (ladder, mesh, or solid-bottom) to select the correct accessory type. By considering the type, material, and supplier, you can expect vertical cable tray accessories to range from under \$1 for basic clips to \$50+ for heavy-duty or special...
