

Taiwanese Electrical Box Cover Manufacturer

AI Overview

Leading Taiwanese manufacturers of electrical enclosures include E-tan, Non-stone, Gainta, and custom sheet metal fabricators, offering a wide range of plastic, metal, and waterproof boxes. Key Manufacturers E-tan specializes in industrial enclosures, electrical boxes, junction boxes, control boxes, and wall boxes. They offer IP68-rated waterproof plastic enclosures, suitable for harsh environments such as marine, renewable energy, and water treatment applications. E-tan provides precise machining services and various accessories for customization, with over 25 years of experience in electronic enclosures and boxes. Non-stone Co. Ltd. has been producing high-quality industrial enclosures since 1991. They manufacture custom and standard enclosures using materials like steel, stainless steel, aluminum, galvanized steel, and plastic. Non-stone employs advanced technologies such as laser cutting, form-in-place gaskets, and powder coating, and their enclosures are widely used in automation, machinery, transport, shipbuilding, and power plants. Gainta Industries Ltd. is a major Taiwanese manufacturer of thermoplastic and aluminum enclosures, protecting electrical and electronic components in hostile environments. They offer OEM mold manufacturing, plastic and aluminum boxes, and packaging housings, with 30 years of experience in product development. Taiwan Custom Sheet Metal Fabricators provide high-quality electrical equipment enclosures and cabinets made from SPCC, SUS, SECC, aluminum, SGCC, and copper. They offer precision cutting, welding, and assembly, with options for coatings, printing, and surface finishes. These manufacturers can produce enclosures for medical, high-voltage, and industrial applications, tailored to specific size and functional requirements. Considerations for Choosing a Manufacturer Material and durability: Pl...
