

What are some network cabinet manufacturers in Mozambique

AI Overview

Mozambique has limited local network cabinet manufacturers, but several regional suppliers and distributors provide server racks and network enclosures to the country. Local and Regional Suppliers

1. ICTECH Distribution Mozambique ICTECH Distribution is a trusted IT hardware distributor in Mozambique, serving Maputo, Beira, and Nampula. They supply network infrastructure, servers, and server cabinets from global brands such as HP, Dell, Huawei, and Vertiv. They also offer racked server configuration, staging, and logistics support for enterprise deployments across Mozambique, making them a practical option for sourcing network cabinets locally .
2. OTRANS OTRANS is a manufacturer specializing in server racks and network cabinets with over 20 years of experience. They provide customizable cabinets for data centers and server rooms, including OEM and ODM services. While based internationally, OTRANS can supply Mozambique with high-quality, scalable enclosures tailored to project specifications .
3. CPS Technologies (South Africa) CPS Technologies manufactures heavy-duty server cabinets and network racks and delivers to Mozambique through distribution partners. They offer climate-controlled cabinets, outdoor enclosures, and IP55-rated server cabinets suitable for large-scale fiber and data projects. Their proximity in South Africa allows for efficient logistics and support within Mozambique .

Local Cabinet Makers While general cabinet makers exist in Mozambique, the number of specialized network cabinet manufacturers is very limited. According to available data, there are only two cabinet makers in Mozambique, and detailed contact information can be obtained through business directories or lead databases .

Recommendations For enterprise IT projects, partnering with ICTECH Distribution is practical due to their local presence and logistics support...
