

Zimbabwean electrical distribution box brand

AI Overview

Key manufacturers and suppliers of electrical distribution boxes in Zimbabwe include Cypriano Electrical, ALCSYS, and Sitho Electrical Boxes. Cypriano Electrical (Pvt) Ltd is a well-established electrical contracting firm in Zimbabwe that manufactures electrical distribution boards and light fittings. The company has been operating for nearly two decades, providing both electrical installations and maintenance services, and is positioned to serve residential, commercial, and industrial clients in the greater catchment area. They also offer electrical supplies and motor rewinding services, making them a comprehensive provider for electrical distribution needs. ALCSYS is a trusted Zimbabwean supplier of electrical and industrial control solutions, including distribution boxes, power supplies, transformers, and terminal blocks. They specialize in switchgear, control gear, and safety products, catering to projects that require reliable power distribution and industrial electrical solutions. ALCSYS is known for delivering high-quality products suitable for both commercial and industrial applications. Sitho Electrical Boxes, located in Harare, is another local provider of distribution boxes. While primarily listed as a supplier, they are recognized in the local market for offering electrical distribution equipment for various applications. Additional Suppliers Other companies in Zimbabwe, such as GEC, Power Life Energy, NeedEnergy, and Prime World, focus on broader electrical distribution and renewable energy solutions. While they may not manufacture distribution boxes directly, they distribute high-quality electrical products and can be considered for sourcing panelboards and related equipment. Online platforms like Zimbabwe Building Materials Suppliers also list DB Boxes (distribution boards/panelboards) for purchas...
